

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Designed and debugged **Java Spring Boot** REST APIs and backend services, writing clear, high-quality code with detailed documentation for enterprise applications serving **100,000+** users.
- Developed **Python** scripts for data pipelines, ETL workflows, and automated reporting; evaluated code quality, performance, and clarity using **Splunk**, **CloudWatch**, and **Dynatrace** monitoring tools.
- Solved complex coding problems and technical challenges in **production support** environments, responding to **P1/P2 incidents** with SLA-compliant resolutions while providing detailed explanations of fixes and architectural decisions.
- Managed **SQL** databases (**PostgreSQL**, **MySQL**, **Oracle**) through schema design, ad-hoc queries, and data validation; demonstrated ability to synthesize insights through data analysis and write grammatically precise technical documentation.
- Containerized applications using **Docker** and deployed infrastructure on **AWS (EC2, S3, Lambda)**; implemented **CI/CD pipelines** with **Jenkins** and **Git**, conducting code reviews that improved system reliability.
- Completed **MSc in Data Analytics** (National College of Ireland) and multiple professional certifications in **Full Stack Java Spring Boot**, **Python Programming**, and **Web Development**; fluent in English (IELTS Band 7/9).

SKILLS

Programming Languages – Python, Java, C, SQL, JavaScript, TypeScript.

Backend & Frameworks – Spring Boot, REST APIs, Flask, FastAPI.

Cloud & DevOps – AWS (EC2, S3, Lambda, CloudWatch), Docker, Jenkins, Git.

Databases – PostgreSQL, MySQL, Oracle, data pipeline design, ETL.

Monitoring & Reliability – Splunk, Dynatrace, CloudWatch, SLA management, incident response.

Frontend – React, Angular.

Tools & Platforms – Linux, Jira, Confluence, Agile/Scrum.

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin

02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India

01/2021

PROJECTS

Enterprise Java Backend & API Development (HCL Technologies)

- Architected and deployed **Spring Boot REST APIs** for mission-critical enterprise applications, writing clean, well-documented code with comprehensive error handling and detailed API specifications.

- Performed code evaluation and provided constructive feedback on new features and bug fixes, assessing performance bottlenecks and suggesting architectural improvements that enhanced system reliability.
- Managed **PostgreSQL** and **MySQL** schemas, wrote optimized queries for data retrieval, and validated data integrity across production systems; documented schema changes and query logic for team knowledge sharing.

Production Monitoring, Data Engineering & Automation (HCL Technologies)

- Engineered **Python** automation scripts for ETL pipelines, scheduled reporting, and log analysis, directly contributing to **SLA compliance** and faster incident resolution in high-availability environments.
- Implemented real-time monitoring dashboards using **Splunk** and **Dynatrace**, triaged **P1/P2 incidents**, and provided clear technical explanations of root causes and remediation steps to cross-functional teams.
- Containerized microservices with **Docker**, deployed infrastructure on **AWS (EC2, S3, Lambda)**, and designed **Jenkins CI/CD pipelines** that reduced deployment time by **30%** and improved code quality through automated testing.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
