PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Executed **manual testing, exploratory testing, and regression testing** for enterprise Java/.NET applications in production, ensuring stability and reliability across **SLA-critical** environments; validated hotfixes and feature releases through structured test case execution and defect documentation.
- Performed **quality assurance and release validation** using **Splunk, CloudWatch, and Dynatrace** to monitor application health, detect anomalies, and support **P1/P2 incident response** with clear root cause analysis and communication to engineering teams.
- Designed and executed **test cases** based on requirements and specifications; maintained detailed test documentation in **Jira** and tracked defects through resolution, collaborating with software engineers to improve test coverage and product quality.
- Developed **Python scripts** and **shell scripts** to automate repetitive testing workflows, data validation, and smoke testing; created **CI/CD automation** support through **Jenkins** pipeline monitoring and log analysis on **Linux** environments.
- Validated data integrity and application behavior through **SQL queries (PostgreSQL, MySQL, Oracle)**; performed ad-hoc testing and schema change verification to ensure consistency across releases.
- Collaborated in **Agile/Scrum ceremonies**, participated in code reviews, and communicated technical findings across cross-functional teams; demonstrated strong attention to detail and quality-focused mindset in fast-paced enterprise environments.

SKILLS

QA & Testing – Manual Testing, Exploratory Testing, Regression Testing, Test Case Design, Release Validation, Smoke Testing, Defect Reporting.

Tools & Platforms – Jira, Splunk, CloudWatch, Dynatrace, Jenkins, Git.

Languages & Scripting – Python, SQL, Shell Scripting, Java.

Databases – PostgreSQL, MySQL, Oracle.

Infrastructure & DevOps – AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux, CI/CD Workflows.

Frameworks & APIs – Spring Boot, REST APIs.

Soft Skills – Communication, Team Collaboration, Documentation, Attention to Detail, Quality Mindset.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Enterprise Application Production Support & Release Validation (HCL Technologies)

- Executed comprehensive **manual and regression testing** for Java Spring Boot and .NET microservices supporting high-traffic production environments; validated feature deployments and hotfixes against detailed **test cases** and release requirements.
- Monitored application stability using **Splunk, CloudWatch, and Dynatrace**; documented defects in **Jira** with clear reproduction steps and severity levels, enabling rapid triage and resolution by development teams.
- Collaborated in **Agile ceremonies** and sprint planning; communicated quality findings and blockers to stakeholders; contributed to improving test coverage and SLA compliance through structured QA processes.

Data Quality & Testing Automation (HCL Technologies)

- Designed and executed **SQL**-based data validation tests across **PostgreSQL, MySQL, and Oracle** databases; verified ETL pipeline integrity and schema changes prior to release.
- Developed **Python** and **shell scripts** to automate smoke testing, log analysis, and data validation workflows; integrated scripts into **Jenkins CI/CD pipelines** to support continuous quality assurance.
- Maintained detailed test documentation and monitoring dashboards; tracked test results and performance metrics to identify regressions and support proactive quality improvement.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
