PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Delivered **production support and incident response** for enterprise Java/.NET applications across multiple environments, managing **P1/P2 incidents** and maintaining SLA compliance using **Splunk, CloudWatch, and Dynatrace** monitoring tools.
- Provided hands-on **infrastructure and system administration** support including **Linux** log analysis, shell scripting, and troubleshooting; configured **Docker** containers and managed **AWS services** (EC2, S3, Lambda) for application deployment and scaling.
- Supported **3.5 years of end-user systems** through technical troubleshooting, device configuration, and software installation; logged and tracked all incidents in **Jira** with clear documentation and escalation protocols.
- Configured and deployed **REST APIs** using **Java Spring Boot** and managed database schemas across **PostgreSQL, MySQL, and Oracle**; performed ad-hoc queries and data validation to support business requirements.
- Automated routine support tasks and data pipelines using **Python scripting** and **Jenkins CI/CD pipelines**, reducing manual effort and improving operational efficiency across teams.
- Conducted technical briefing sessions for development and operations teams; collaborated in **Agile/Scrum ceremonies** and performed **Git code reviews** to maintain code quality and knowledge sharing standards.

SKILLS

Operating Systems & Device Support – Linux, Docker, Windows environments, device configuration, hardware setup.

Cloud & Infrastructure – AWS (EC2, S3, Lambda, CloudWatch), cloud monitoring, containerisation.

IT Service & Support Tools – Jira, Confluence, incident logging, ticketing systems, SLA management.

Programming & Scripting – Python, Java, SQL, Shell scripting, REST API development.

Monitoring & Observability – Splunk, Dynatrace, CloudWatch, log analysis, system health monitoring.

DevOps & Collaboration – Jenkins, Git, CI/CD pipelines, Agile/Scrum, code reviews.

Databases – PostgreSQL, MySQL, Oracle, SQL queries, schema management.

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin

02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India

01/2021

PROJECTS

Enterprise Application Production Support (HCL Technologies)

- Managed **24/7 production monitoring** for mission-critical Java/.NET applications serving 1000+ users; responded to **P1/P2 incidents** with **Splunk and Dynatrace** to diagnose root causes and restore service

availability.

- Escalated complex infrastructure and configuration issues to senior support staff and external vendors; documented incident resolutions in **Jira** for continuous improvement and knowledge base maintenance.
- Performed **Linux system administration** tasks including log analysis, cron job scheduling, and shell script automation to streamline routine troubleshooting and reduce incident resolution time.

Cloud Infrastructure & DevOps Automation (HCL Technologies)

- Deployed and managed **AWS resources** including EC2 instances, S3 storage, and **Lambda functions**; containerised applications using **Docker** to improve consistency across development and production environments.
- Automated data pipelines and ETL workflows using **Python scripting** with **pandas and NumPy**; integrated **Jenkins CI/CD pipelines** with **Git branching strategies** to enable continuous deployment and reduce manual configuration overhead.
- Optimised database performance by writing efficient **SQL queries** across **PostgreSQL, MySQL, and Oracle**; managed schema changes and data validation to support backend service enhancements and feature releases.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
