

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Led **production support and SLA management** for enterprise applications serving millions of transactions, responding to **P1/P2 incidents** with **Splunk, CloudWatch, Dynatrace** — demonstrating reliability engineering and infrastructure monitoring expertise applicable to large-scale project delivery
- Designed and implemented **Python automation scripts** and **ETL data pipelines** for enterprise reporting and validation, reducing manual effort by **40%** and ensuring data accuracy across complex systems
- Developed **REST APIs** and feature enhancements using **Java Spring Boot** on production microservices, managing code quality through **Git workflows, Jenkins CI/CD pipelines**, and peer code reviews in Agile teams
- Executed **SQL schema design and optimization** across **PostgreSQL, MySQL, Oracle** databases, performing data validation and ad-hoc reporting to support business decision-making and system performance
- Architected containerized solutions using **Docker** and deployed scalable infrastructure on **AWS (EC2, S3, Lambda, CloudWatch)**, managing cloud resource allocation and cost optimization for high-availability systems
- Collaborated across cross-functional teams using **Jira, Confluence, Agile/Scrum** methodologies to scope deliverables, track progress, and maintain stakeholder communication on complex technical projects

SKILLS

Infrastructure & Reliability – Production Support, SLA Management, Incident Response, Splunk, CloudWatch, Dynatrace, Monitoring.

Backend Engineering – Java Spring Boot, REST APIs, Python, Flask, FastAPI, Microservices.

Data & Analytics – SQL (PostgreSQL, MySQL, Oracle), ETL, Data Pipelines, pandas, NumPy, Data Validation.

Cloud & DevOps – AWS (EC2, S3, Lambda, CloudWatch), Docker, Jenkins, CI/CD Pipelines, Git.

Systems & Scripting – Linux, Shell Scripting, Cron Jobs, Log Analysis.

Project Management – Jira, Confluence, Agile, Scrum, Team Collaboration, Stakeholder Communication.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Enterprise Application Reliability & Monitoring (HCL Technologies)

- Managed production support for mission-critical enterprise Java/.NET applications across multiple data centres, achieving **SLA compliance** through proactive monitoring with **Splunk and Dynatrace**

- Responded to **P1/P2 incidents** with rapid root cause analysis and remediation, collaborating with architecture teams to identify systemic improvements and prevent recurrence
- Implemented **Python automation scripts** for health checks, alerting, and incident escalation workflows, reducing mean time to response (MTTR) by **35%**

Data Pipeline & ETL Automation (HCL Technologies)

- Designed and deployed **Python-based ETL pipelines** using **pandas and NumPy** to extract, transform, and load data from heterogeneous sources into enterprise data warehouse, supporting real-time reporting
- Built scheduled reporting automation using **Python scripting and cron jobs**, generating **ad-hoc SQL queries** across **PostgreSQL, MySQL, and Oracle** databases to validate data integrity and support analytics
- Deployed pipeline infrastructure on **AWS Lambda and CloudWatch**, enabling serverless execution and automated monitoring of data jobs with **10% reduction in infrastructure costs**

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
