+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India **09/2021 – 01/2025 (3.5 Years)**

- Supported **reliability engineering** and production monitoring of enterprise applications using **Splunk, CloudWatch, Dynatrace**; managed SLA compliance and P1/P2 incident response, ensuring **99.5%+ uptime** for critical systems
- Designed and implemented **data pipelines and ETL workflows** using **Python** for automated reporting and data validation across **PostgreSQL, MySQL, Oracle** databases; supported engineering calculations and design computations
- Developed **REST APIs** and feature enhancements using **Java Spring Boot**; participated in **engineering design reviews** and code quality assurance through peer reviews and **Git** branching workflows
- Automated infrastructure and deployment tasks using **AWS (EC2, S3, Lambda), Docker** containerisation, and **Jenkins CI/CD pipelines**; maintained project documentation and organised technical artefacts in **Jira, Confluence**
- Demonstrated strong interpersonal and technical communication skills by interfacing with cross-functional teams, supporting senior engineers, and maintaining clear project scope documentation with stakeholders
- Completed **MSc in Data Analytics** (National College of Ireland, Dublin) and multiple industry certifications in Full Stack Development and Web Engineering; achieved **IELTS Band 7/9**, confirming advanced English proficiency

SKILLS

Engineering & Design Tools – computer-aided design principles, engineering calculations, design documentation, GMP compliance support.

Programming & Scripting – Python, Java, SQL, Shell scripting, REST API development.

Cloud & Infrastructure – AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux, Jenkins CI/CD.

Databases & Data Engineering – PostgreSQL, MySQL, Oracle, data pipelines, ETL, pandas, NumPy.

Monitoring & Reliability – Splunk, Dynatrace, SLA management, production support, incident response.

Frameworks & Libraries – Spring Boot, Flask, FastAPI, Angular, React.

Professional & Soft Skills – Agile/Scrum, technical documentation, stakeholder communication, cross-functional teamwork, Health & Safety awareness.

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin **02/2026**

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India **01/2021**

PROJECTS

Enterprise Application Reliability & Monitoring (HCL Technologies)

- Supported production monitoring and incident management for mission-critical enterprise Java and .NET applications serving global clients; utilised **Splunk, CloudWatch, Dynatrace** for real-time alerting and root-cause analysis
- Contributed to SLA compliance and performance optimisation, responding to P1/P2 incidents within defined time windows and collaborating with senior engineers to resolve design and operational issues
- Maintained project documentation, log analysis using **Linux** command-line tools, and automation scripts to reduce manual workload and improve system reliability

Data Pipeline & ETL Automation (HCL Technologies)

- Designed and deployed automated **data pipelines** using **Python** for ETL workflows, database validation, and scheduled reporting across **PostgreSQL, MySQL, Oracle** instances; supported engineering calculations and data-driven decision-making
- Implemented **AWS Lambda** functions and **Docker** containers for scalable data processing; integrated pipelines with **Jenkins CI/CD** for continuous deployment and monitoring
- Collaborated with cross-functional teams to document data flows, maintain code quality through peer reviews, and ensure compliance with engineering and design standards

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
