PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Designed and maintained **production Java Spring Boot microservices** serving enterprise applications, achieving **99.5% uptime** through proactive monitoring with **Splunk, CloudWatch, and Dynatrace**; handled P1/P2 incident response and SLA management in high-availability environments.
- Built **Python-based data pipelines and ETL workflows** for analytics and reporting, leveraging **pandas, NumPy** and SQL across **PostgreSQL, MySQL, Oracle** to process and validate large datasets; automated scheduled jobs with shell scripting and cron.
- Developed **RESTful APIs and backend services** on **Spring Boot**, implementing domain logic, data validation, and integration patterns; produced design documentation and architectural artifacts for complex feature implementations.
- Deployed and managed cloud-native applications on **AWS (EC2, S3, Lambda, CloudWatch)**; containerized services using **Docker** and orchestrated CI/CD pipelines with **Jenkins** and **Git** to enable rapid, reliable releases.
- Gathered, analyzed, and synthesized insights from production logs and system telemetry; identified performance bottlenecks and reliability patterns, driving measurable improvements to system stability and user experience.
- Collaborated across engineering teams using **Jira, Confluence**, and Agile ceremonies; communicated technical decisions to stakeholders and contributed to community knowledge-sharing initiatives.

SKILLS

Languages & Frameworks – Java, Python, Spring Boot, REST APIs, Flask, FastAPI.

Cloud & DevOps – AWS (EC2, S3, Lambda, CloudWatch), Docker, Jenkins, Git, CI/CD pipelines.

Data & Analytics – SQL (PostgreSQL, MySQL, Oracle), pandas, NumPy, data pipelines, ETL, ad-hoc queries.

Monitoring & Observability – Splunk, Dynatrace, CloudWatch, production support, incident response.

Operating Systems & Tooling – Linux, shell scripting, cron jobs, Jira, Confluence.

Frontend (Basics) – React, Angular, TypeScript.

Education – MSc Data Analytics (National College of Ireland), Bachelor of Engineering Computer Science (SNS College of Technology).

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin

02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India

01/2021

PROJECTS

Enterprise Java Microservices & Production Support (HCL Technologies)

- Maintained **mission-critical Java Spring Boot services** powering enterprise applications; implemented bug fixes, feature enhancements, and performance optimizations.
- Established reliability engineering practices using **Splunk and Dynatrace** for real-time monitoring, root cause analysis, and proactive alerting; reduced incident response time by improving observability and system tracing.
- Collaborated on **API design, database schema optimization, and microservices integration** patterns; documented architectural decisions and design artifacts for cross-team reference.

Data Pipelines & Analytics Automation (HCL Technologies)

- Engineered **Python-based ETL pipelines** to ingest, transform, and load data from multiple sources into **PostgreSQL and Oracle databases**; implemented data validation logic to ensure quality at scale.
- Automated reporting workflows using **Python scripting, SQL, and scheduled cron jobs**; delivered daily, weekly, and ad-hoc analytics to support business intelligence and operational decision-making.
- Deployed data workflows on **AWS Lambda and EC2**, integrating with **CloudWatch** for monitoring and alerting; ensured reliable, cost-effective execution of batch and streaming processes.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
