

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Managed **high-volume production support** for enterprise applications, responding to **P1/P2 incidents** with rapid resolution and maintaining **SLA compliance** — experience translatable to handling **50–100+ patient and staff communications daily** in a medical environment
- Resolved complex customer-facing technical queries through systematic troubleshooting using **Splunk, CloudWatch, and Dynatrace** monitoring tools — demonstrating strong **problem-solving and attention to detail** under pressure
- Processed and validated data workflows using **SQL (PostgreSQL, MySQL, Oracle)** and **Python scripting** for accuracy and completeness — directly applicable to **processing payments, scanning, filing sensitive documents**, and managing clinic records
- Collaborated within **Agile/Scrum teams** using **Jira and Confluence**, completing tickets, conducting code reviews, and supporting team members — fostering a **collaborative and adaptable working culture**
- Demonstrated **time management and organisational skills** by prioritising multiple concurrent production incidents and ad-hoc requests in a fast-paced enterprise environment
- Completed **MSc in Data Analytics** (National College of Ireland) whilst maintaining full-time employment — demonstrating commitment to professional development, reliability, and the ability to manage competing priorities

SKILLS

Customer Service & Communication – incident response, problem resolution, customer-facing support, team collaboration, empathetic communication.

Administrative & Office Systems – Jira, Confluence, Git, document management, data validation, record keeping.

Technical Proficiency – Microsoft Office, Linux command line, shell scripting, email management, system monitoring.

Data & Process Management – SQL (PostgreSQL, MySQL, Oracle), Python, ETL workflows, data accuracy, organised filing.

Healthcare & Business Context – enterprise systems support, compliance awareness, SLA management, fast-paced operational environments.

Languages & Qualifications – IELTS Academic Band 7/9, MSc Data Analytics, Bachelor of Engineering (Computer Science).

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin

02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India

01/2021

PROJECTS

Production Support & Incident Management (HCL Technologies)

- Monitored **enterprise Java/.NET applications** using **Splunk, CloudWatch, and Dynatrace**, identifying and escalating critical issues affecting client operations
- Responded to **P1/P2 production incidents** with structured troubleshooting, liaising with development and infrastructure teams to resolve issues within **SLA windows**
- Maintained detailed logs and documentation of incidents and resolutions, ensuring audit trails and supporting continuous improvement — mirroring the accuracy and record-keeping demanded in medical administration

Data Processing & Automation Workflows (HCL Technologies)

- Developed **Python automation scripts** for data validation, ETL pipelines, and scheduled reporting — ensuring data accuracy and consistency across systems
- Executed **SQL queries** against **PostgreSQL, MySQL, and Oracle** databases for ad-hoc data requests, schema validation, and payment/billing reconciliation tasks
- Collaborated with business stakeholders to translate requirements into technical solutions, demonstrating adaptability and a customer-centric approach to resolving operational challenges

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
