

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Designed and maintained **REST APIs** and microservices using **Java Spring Boot**, supporting 5+ **concurrent enterprise applications** with **99.5% uptime SLA** through proactive production monitoring and incident response.
- Engineered **Python**-based automation and **ETL pipelines** for data validation and reporting, reducing manual operations by **40%** and enabling real-time insights across **PostgreSQL, MySQL, and Oracle** databases.
- Implemented infrastructure-as-code practices using **AWS (EC2, S3, Lambda, CloudWatch)** and **Docker** containerization, improving deployment consistency and reducing environment provisioning time by **30%**.
- Optimized system reliability and performance through **Splunk, Dynatrace, and CloudWatch** monitoring, conducting root-cause analysis on P1/P2 incidents and delivering actionable fixes within SLA windows.
- Automated CI/CD workflows using **Jenkins** and **Git**, implementing branching strategies and code reviews that increased deployment frequency by **2x** while maintaining code quality standards.
- Contributed full-stack development expertise spanning backend services (**Spring Boot, FastAPI**), database optimization (**SQL schema design, indexing**), and frontend basics (**Angular, React**), supporting cross-functional Agile teams.

SKILLS

Backend & API Development – Java, Spring Boot, Python, FastAPI, Flask, REST APIs.

Cloud & Infrastructure – AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux, shell scripting.

Data & Databases – SQL, PostgreSQL, MySQL, Oracle, ETL, pandas, NumPy.

DevOps & Monitoring – Jenkins, Git, CI/CD, Splunk, Dynatrace, Jira.

Frontend – Angular, React.

Soft Skills & Practices – Agile/Scrum, incident management, production support, technical documentation.

Certifications & Education – MSc Data Analytics (National College of Ireland), Full Stack Java Spring Boot & Angular, IELTS Band 7.

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin

02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India

01/2021

PROJECTS

Enterprise Application Reliability & Observability Program (HCL Technologies)

- Led production support for 5+ **mission-critical Java/.NET services**, implementing centralized monitoring using **Splunk and Dynatrace** to achieve **99.5% SLA compliance** across enterprise clients.

- Designed automated alerting and escalation protocols, reducing P1 incident mean-time-to-resolution (MTTR) by **35%** through proactive threshold-based diagnostics and incident playbooks.
- Performed root-cause analysis and remediation on high-impact outages, correlating logs across **AWS CloudWatch, application metrics, and infrastructure data** to identify systemic issues and prevent recurrence.

Data Pipeline Automation & Cloud Migration Project (HCL Technologies)

- Built scalable **ETL pipelines** using **Python** and **AWS Lambda** to ingest, transform, and validate data from multiple sources into **PostgreSQL and Oracle databases**, automating **40+ monthly reporting workflows**.
- Containerized legacy applications using **Docker** and orchestrated deployment via **Jenkins CI/CD pipelines**, enabling consistent staging and production releases while cutting deployment overhead by **30%**.
- Optimized **SQL queries and database schemas** for performance, improving report generation time by **50%** and reducing cloud compute costs through efficient indexing and query tuning.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
