

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Designed and maintained **Java Spring Boot** REST APIs and microservices in production, supporting **SLA-driven incident response** for enterprise applications across **AWS** (EC2, Lambda, CloudWatch) and on-premise infrastructure
- Owned end-to-end feature development including **code reviews**, **Git branching strategies**, and **CI/CD pipeline automation** using **Jenkins**, ensuring high-quality releases and continuous deployment in Agile/Scrum teams
- Built **Python** automation scripts and data pipelines for ETL workflows, leveraging **pandas** and **NumPy** for data validation and reporting—demonstrating analytical rigor applicable to mobile app resilience and debugging
- Architected **Docker** containerisation for application deployments, reducing environment inconsistencies and improving developer productivity across multiple teams
- Diagnosed and resolved critical production issues using **Splunk**, **Dynatrace**, and **CloudWatch**, applying observability and logging practices that directly translate to mobile app debugging and performance monitoring
- Collaborated cross-functionally with product, QA, and infrastructure teams on feature implementation, technical design reviews, and architectural improvements—advocating for code quality and team culture enhancement

SKILLS

Mobile & Backend Development – Java, Spring Boot, REST APIs, Python, Flask, FastAPI.

Android Architecture & Frameworks – Android APIs, concurrency patterns, client-side persistence, architectural design patterns.

Cloud & DevOps – AWS (EC2, S3, Lambda, CloudWatch), Docker, Jenkins, Git, Linux.

Data & Database – SQL (PostgreSQL, MySQL, Oracle), pandas, NumPy, ETL pipelines.

Frontend & UI – React, Angular, modern web development.

Monitoring & Observability – Splunk, Dynatrace, logging, SLA management, incident response.

Agile & Collaboration – Scrum, Kanban, Jira, Confluence, code reviews, pair programming.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Enterprise Java Microservices & Production Support (HCL Technologies)

- Developed and maintained **Spring Boot microservices** handling millions of transactions daily, with **REST API** design and implementation following enterprise architectural patterns

- Implemented **SLA-driven incident management** and **P1/P2 issue resolution** using **CloudWatch, Dynatrace, and Splunk**, reducing mean-time-to-resolution (MTTR) and improving system reliability
- Automated operational tasks using **Python shell scripts** and **cron jobs** on **Linux** systems, decreasing manual overhead and improving deployment consistency across **AWS** and on-premise environments

CI/CD Pipeline & Data Engineering Automation (HCL Technologies)

- Designed and optimized **Jenkins CI/CD pipelines** with **Git** branching strategies, enabling automated testing and continuous deployment while maintaining code quality standards
- Built scalable **ETL data pipelines** in **Python** using **pandas and NumPy**, processing large datasets for analytics and reporting—demonstrating data-driven problem solving applicable to app performance metrics
- Containerized applications using **Docker**, reducing deployment friction and enabling seamless collaboration across development, QA, and infrastructure teams in Agile sprints

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
