+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India 09/2021 – 01/2025 (3.5 Years)

- Supported production reliability and compliance across enterprise applications using **Splunk, CloudWatch, and Dynatrace**, managing SLA targets and responding to P1/P2 incidents — developing understanding of monitoring, documentation, and risk mitigation practices applicable to health & safety oversight.
- Conducted data validation, schema audits, and **SQL** analysis across **PostgreSQL, MySQL, and Oracle** databases, demonstrating attention to detail and systematic approach to identifying and resolving compliance issues.
- Developed **Python automation scripts** and ETL pipelines for scheduled reporting and data integrity checks, translating complex requirements into structured, documented solutions — skills transferable to safety documentation and compliance tracking.
- Collaborated with cross-functional teams across design, development, and operations in **Agile/Scrum ceremonies**, preparing documentation in **Confluence** and managing workflow through **Jira** — experience directly applicable to stakeholder coordination and project documentation.
- Performed **Linux**-based log analysis and shell scripting for system troubleshooting and process automation, building foundational competency in technical investigation and root-cause analysis.
- Completed **MSc in Data Analytics** (National College of Ireland, Dublin, Feb 2026), providing structured academic exposure to risk analysis, compliance frameworks, and professional documentation standards relevant to health & safety consultancy.

SKILLS

Documentation & Compliance – Confluence, Jira, report generation, data validation, audit trails.

Data Analysis & Reporting – Python, SQL, PostgreSQL, MySQL, Oracle, pandas, ETL processes.

Systems & Infrastructure – AWS (EC2, S3, CloudWatch), Docker, Linux, shell scripting.

Monitoring & Risk Management – Splunk, Dynatrace, incident response, SLA management, log analysis.

Collaboration & Project Management – Agile/Scrum, cross-functional teamwork, stakeholder communication, Git.

Professional Qualifications – MSc Data Analytics (National College of Ireland), Bachelor of Engineering (Computer Science), IELTS Academic Band 7.

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin 02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India 01/2021

PROJECTS

Enterprise Application Monitoring & Incident Response (HCL Technologies)

- Managed production support for critical enterprise **Java and .NET applications** using **Splunk, CloudWatch, and Dynatrace**, responding to P1/P2 incidents and maintaining SLA compliance.
- Developed proficiency in systematic issue investigation, documentation, and stakeholder communication — core competencies required for site audits and health & safety review coordination.
- Collaborated with development, infrastructure, and operations teams to resolve complex production issues, demonstrating ability to liaise across technical and non-technical stakeholders.

Data Pipeline Automation & Compliance Reporting (HCL Technologies)

- Designed and implemented **Python-based ETL pipelines** for automated data validation and scheduled reporting, ensuring data integrity and timely delivery of compliance documentation.
- Performed ad-hoc **SQL queries** across multiple databases (**PostgreSQL, MySQL, Oracle**) to validate data quality and identify discrepancies, applying analytical rigor to complex datasets.
- Documented automation workflows in **Confluence** and tracked delivery through **Jira**, creating audit trails and structured records — practices directly aligned with safety documentation and project file compilation requirements.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
