PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Delivered **production support and reliability engineering** for enterprise Java/.NET applications across **AWS** (EC2, S3, Lambda, CloudWatch) and on-premises infrastructure, managing SLAs and responding to P1/P2 incidents using **Splunk, CloudWatch, and Dynatrace** observability tools.
- Designed and implemented **Python automation scripts** for operational tasks, data pipelines, and ETL workflows; built scheduled reporting systems that reduced manual reporting effort by **40%** and improved data validation accuracy.
- Contributed to **CI/CD pipeline development** using **Jenkins, Git**, and Agile workflows; performed code reviews and managed branching strategies to ensure deployment consistency and code quality across distributed teams.
- Managed **infrastructure and containerization** using **Docker** for application deployment; performed Linux system administration including log analysis, shell scripting, cron job scheduling, and network troubleshooting on production servers.
- Executed **SQL database administration** across **PostgreSQL, MySQL, and Oracle**; performed ad-hoc queries, data validation, and schema changes to support application features and incident resolution.
- Collaborated with product engineering, QA, and support teams in **Agile/Scrum** ceremonies; documented procedures, runbooks, and technical learnings in **Confluence** to establish institutional knowledge and support cross-functional delivery.

SKILLS

Programming & Scripting – Python, Bash, Linux shell scripting, Java Spring Boot.

Cloud & Infrastructure – AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux systems administration.

CI/CD & Deployment – Jenkins, Git, GitHub, Jira, Agile/Scrum.

Databases & Data Engineering – PostgreSQL, MySQL, Oracle, SQL, pandas, NumPy.

Observability & Monitoring – Splunk, Dynatrace, CloudWatch, alerting and incident response.

APIs & Backend Development – REST APIs, Flask, FastAPI.

Certifications & Education – MSc Data Analytics (National College of Ireland), IELTS Band 7, Full Stack Java Spring Boot & Angular, Python Programming (Coursera).

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin

02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India

01/2021

PROJECTS

Production Monitoring & Incident Response Platform (HCL Technologies)

- Established **Splunk and Dynatrace** dashboards for real-time monitoring of enterprise Java/.NET applications, reducing incident detection time by **35%** and enabling proactive SLA management.
- Developed **Python-based alerting automation** to parse logs, correlate metrics, and trigger escalations; integrated with incident management workflows to streamline P1/P2 triage and response.
- Participated in on-call rotation and post-incident reviews; documented root causes and contributed to runbook improvements across the platform, building reliability engineering expertise.

Data Pipeline & Automation Framework (HCL Technologies)

- Architected **Python ETL pipelines** using pandas and NumPy to extract, transform, and load data from multiple sources; optimized query performance on **PostgreSQL and MySQL** databases.
- Automated routine operational tasks using **Bash scripting and cron jobs** on Linux servers; integrated automation with **Jenkins CI/CD pipelines** to enable scheduled reporting and data validation.
- Deployed containerized data processing workflows using **Docker**; documented procedures and operational guides to support cross-functional team knowledge sharing and incident troubleshooting.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
