PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Developed and maintained **backend services** using **Java Spring Boot** and **Python**, delivering **REST APIs** for enterprise applications; applied production monitoring with **Splunk, CloudWatch, and Dynatrace** to ensure **99.5%+ uptime SLA** across mission-critical systems.
- Engineered **Python-based data pipelines and ETL workflows** using **pandas and NumPy**, automating scheduled reporting and data validation across **PostgreSQL, MySQL, and Oracle** databases—reducing manual effort by **40%**.
- Deployed and orchestrated containerized applications using **Docker** on **AWS (EC2, S3, Lambda, CloudWatch)**; built **CI/CD pipelines with Jenkins** to automate testing and deployment, improving release velocity by **30%**.
- Collaborated cross-functionally with data engineers, QA teams, and product stakeholders in **Agile/Scrum ceremonies**; mentored junior developers on backend best practices, code reviews, and **Git branching strategies**.
- Demonstrated prompt engineering and AI model experimentation through **Python-based automation scripts** and data exploration; applied **MLOps mindset** to production support by instrumenting observability and incident response workflows.
- Maintained comprehensive technical documentation on system architectures, data schemas, and API specifications; ensured secure development practices aligned with compliance requirements in regulated enterprise environments.

SKILLS

Backend & AI Development – Python, Java Spring Boot, REST APIs, Flask, FastAPI.

Data Engineering & ML Frameworks – SQL (PostgreSQL, MySQL, Oracle), pandas, NumPy, ETL pipelines, data validation.

Cloud & DevOps – AWS (EC2, S3, Lambda, CloudWatch), Docker, Jenkins CI/CD, Git.

Frontend Development – React, Angular, HTML, CSS, JavaScript.

Observability & Reliability – Splunk, Dynatrace, production monitoring, SLA management, P1/P2 incident response.

Agile & Collaboration – Scrum, Jira, Confluence, cross-functional teamwork, mentoring.

Linux & Scripting – Shell scripting, log analysis, cron jobs, command-line automation.

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin

02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India

01/2021

PROJECTS

Enterprise Java Spring Boot API Development & Production Support (HCL Technologies)

- Developed and maintained **REST APIs** using **Java Spring Boot** for distributed enterprise applications; implemented feature work, bug fixes, and schema changes across **PostgreSQL and Oracle** databases.
- Provided **production support and incident response** for P1/P2 issues using **Splunk, CloudWatch, and Dynatrace**; analyzed logs, identified bottlenecks, and resolved **99.5%+ uptime SLAs** for customer-facing services.
- Automated deployment pipelines using **Jenkins, Git, and Docker**; participated in code reviews, Agile ceremonies, and knowledge sharing to elevate team capability.

Python Data Pipeline Automation & ETL Engineering (HCL Technologies)

- Built **Python-based ETL workflows** leveraging **pandas and NumPy** for data extraction, transformation, and validation across **PostgreSQL, MySQL, and Oracle**; scheduled automated reporting to reduce manual data handling by **40%**.
- Deployed **Lambda functions** and **EC2 instances** on **AWS** to execute scheduled jobs; monitored execution health with **CloudWatch** and implemented alerting for data quality anomalies.
- Documented data schemas, transformation logic, and compliance considerations; applied MLOps principles to pipeline observability and lifecycle management.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
