PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Designed and delivered **enterprise-grade Java Spring Boot** microservices and **REST APIs** on **AWS** (EC2, S3, Lambda), ensuring **scalability, performance, and resilience** across production environments serving multiple business units.
- Architected and maintained **automated CI/CD pipelines** using **Jenkins** and **Git**, reducing deployment cycle time and enabling fast, reliable releases in an agile, customer-first environment.
- Built robust **unit, integration, and system-level tests** across the testing pyramid, integrating automated test suites into **CD pipelines** to catch defects early and maintain code quality standards.
- Engineered **Python-based** data pipelines and **ETL workflows** with **pandas** and **NumPy**, processing large datasets and delivering reliable, maintainable automation solutions that improved operational efficiency by **30%**.
- Demonstrated strong team collaboration through **code reviews, pair programming, and knowledge-sharing sessions** in fast-paced Agile/Scrum ceremonies, mentoring junior engineers and driving technical discussions across multi-functional teams.
- Excelled in production support and **reliability engineering**, managing P1/P2 incidents and SLA compliance using **Splunk, CloudWatch, and Dynatrace**; leveraged **Linux shell scripting** and **SQL** optimization to resolve critical issues under tight deadlines.

SKILLS

Object-Oriented & Backend Development – Java, Spring Boot, REST APIs, C# (exposure), design patterns, OO principles.

Frontend & UI Technologies – React, Angular, web application development.

Data Engineering & Integration – Python, pandas, NumPy, Flask, FastAPI, ETL pipelines, SQL (PostgreSQL, MySQL, Oracle).

Cloud & DevOps – AWS (EC2, S3, Lambda, CloudWatch), Docker, Jenkins, Git, Linux, CI/CD pipelines.

Monitoring & Reliability – Splunk, Dynatrace, production support, incident response, SLA management.

Agile & Collaboration – Scrum, Jira, Confluence, code reviews, pair programming, cross-functional teamwork.

Testing & Quality Assurance – Unit testing, integration testing, system-level testing, automated test frameworks.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Enterprise Java Microservices & API Platform (HCL Technologies)

- Designed and developed **Spring Boot microservices** deployed on **AWS EC2** with **containerization** using **Docker**, ensuring enterprise-grade performance and scalability.
- Implemented comprehensive **REST APIs** with thorough **unit and integration test coverage**, achieving **95%+ test success rates** in automated **Jenkins CI/CD pipelines**.
- Collaborated with product and infrastructure teams to optimize API latency and throughput, demonstrating ability to adapt and deliver under tight deadlines in a fast-paced agile environment.

Production Reliability & Automation Engineering (HCL Technologies)

- Managed production support for critical enterprise applications, reducing incident resolution time by **25%** through proactive monitoring with **Splunk, Dynatrace, and CloudWatch**, ensuring customer-first SLA compliance.
- Engineered **Python automation scripts** and **ETL data pipelines** for operational reporting and validation, eliminating manual processes and improving team efficiency.
- Partnered with cross-functional teams on knowledge-sharing and mentoring initiatives, fostering a collaborative culture of continuous learning and technical excellence.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
