PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Provided first and second-line technical support for hardware, desktop applications, and audio-visual equipment across the Cork office, resolving an average of **15 tickets daily**.
- Administered the Service Desk portal, logging, tracking, and ensuring the effective resolution of over **200 support requests** per month in line with SLA targets.
- Supported new starter onboarding by configuring and deploying company-standard **laptops, iPhones, and iPads**, ensuring seamless integration into the network.
- Managed printer maintenance and troubleshooting activities, resolving an average of **5-7 hardware-related incidents weekly** and ensuring 98% printer availability.
- Carried out **laptop imaging and device preparation** for new deployments, reducing setup time for new hires by approximately **30%**.
- Maintained accurate IT asset inventory and executed stock control processes, contributing to a **95% accuracy rate** in asset tracking.
- Liaised with third-level support teams and external vendors to efficiently resolve complex technical issues, including network and specialized application problems.

SKILLS

IT Support – Service Desk, Ticketing Systems, End-User Support, Technical Support, Deskside Support, Incident Management, Problem Solving

Hardware & Devices – Laptops, Mobile Devices (iPhones, iPads), Printers, Workstations, Audio-Visual Equipment

Operating Systems & Applications – Microsoft Technologies, Business Applications, Microsoft 365, Windows

IT Operations & Management – IT Asset Management, Stock Control, Device Deployment, Laptop Imaging, Onboarding Support

Networking – Networking Principles

Process & Methodology – ITIL Practices, Continuous Improvement, Agile Methodologies

PROJECTS

IT Operations Desktop Support Enhancement

- Developed a streamlined process for **laptop imaging and device preparation**, reducing deployment time by **20%** for new employee setups.
- Implemented a proactive printer maintenance schedule, decreasing unplanned downtime by **15%** and improving user satisfaction with managed print services.
- Created a knowledge base of common troubleshooting steps for audio-visual equipment in meeting rooms, enabling faster resolution of AV issues during events.

Service Desk Portal Optimization Initiative

- Assisted in the administration and configuration of the **Service Desk portal**, improving ticket categorization and routing efficiency.
- Contributed to the development of standardized resolution steps for first and second-line support issues, aiming to increase first-contact resolution rates.
- Documented best practices for IT asset inventory management, ensuring greater accuracy and compliance with internal policies.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021
