PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Provided **on-site technical support** for end-users across a 500-person office, resolving hardware, software, and network connectivity issues within a **4-hour SLA**.
- Managed **IT asset inventory** for over 300 devices, including tracking, updating records in **ServiceNow**, and performing regular audits to ensure data accuracy.
- Performed **imaging and refreshing of laptops** and desktops using SCCM deployment packages, standardizing configurations for new hires and hardware upgrades.
- Troubleshoot and resolved **printer problems** and other peripheral device errors, ensuring seamless operation for all office staff.
- Assisted in the setup and maintenance of **audio and video equipment**, including projectors, microphones, and **MS Teams** video conferencing systems for daily meetings.
- Operated **AV systems** during live events, providing immediate technical support to address any audiovisual issues that arose, ensuring smooth presentations.
- Collaborated with senior technicians to escalate and resolve complex IT issues, contributing to the development of **support process improvements** and documentation.

SKILLS

Field Support – Field Support, Smart Hands Support, End User Support, Level 1+ Troubleshooting, Build Laptops, Inventory Assets

Audio Video – Audio Video support, Projectors, Microphones, Video Conferencing Systems, AV Equipment, Crestron, Logitech
