PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Managed incoming support requests via helpdesk system, email, and phone, resolving approximately **50 user issues** per week.
- Created and disabled user accounts in **Active Directory** and **Azure AD**, ensuring compliance with security policies and timely access provisioning/deprovisioning.
- Performed password resets and managed user access permissions across various internal systems, reducing average resolution time by **15%**.
- Provided essential IT equipment and mobile devices (iOS, Android) to site personnel, coordinating setup and delivery to meet project timelines.
- Collaborated with System Administrators to escalate complex incidents, ensuring timely follow-up and maintaining high user satisfaction through clear communication.
- Documented common IT procedures and created user guides for standard office applications, including **MS Office** and **SAP**, contributing to improved self-service rates.
- Configured and deployed applications using **Docker** containers on **AWS EC2** instances, integrating with **Jenkins** for automated build and deployment pipelines.

SKILLS

Support Tools – Helpdesk System, Ticketing, Active Directory, Azure AD, LogMeIn, Team Viewer, RDP

Operating Systems – Windows 10, Windows 11, iOS, Android, Linux

Office Applications – MS Office Suite, SAP, Adobe, Bluebeam

Networking – TCP/IP, VPN, Switching, Routing, File Sharing, Printer Sharing

Hardware Support – PC Hardware, Mobile Device Management (MDM)

PROJECTS

IT Support Automation and User Onboarding

- Developed Python scripts to automate the creation of new user accounts and the assignment of standard software licenses in **Active Directory**, reducing manual effort by **40%**.
- Built a centralized knowledge base using **Confluence** to document common troubleshooting steps for **Windows 10/11** and **MS Office** issues, increasing first-contact resolution rates.
- Streamlined the process for ordering and deploying IT equipment to remote sites, ensuring timely delivery for over **15 projects** across the region.

System Administration Support and Network Configuration

- Assisted in managing user access permissions and conducting security audits for **Azure AD**, ensuring adherence to company security protocols.
- Configured basic network settings and performed troubleshooting for **TCP/IP** connectivity issues for end-users, supporting teams across multiple locations.
- Provided hands-on support for PC hardware issues, including component replacement and system diagnostics, on approximately **20 workstations**.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin

Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India

2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
