PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Supported the end-to-end recruitment process for graduate and junior roles, managing candidate pipelines through an Applicant Tracking System (ATS).
- Screened over 150 CVs weekly, identifying qualified candidates for engineering and support functions and initiating initial candidate outreach.
- Coordinated interview schedules between candidates and hiring managers, ensuring timely feedback loops and maintaining recruitment timelines for an average of 10 open requisitions per month.
- Managed and updated candidate records within an **ATS (BambooHR)**, ensuring data accuracy for reporting and compliance purposes.
- Assisted in drafting and extending job offers, coordinating with candidates and internal stakeholders to finalize contract negotiations.
- Developed and posted engaging job advertisements on **LinkedIn** and the company careers page, tailoring content to attract specific talent pools.
- Maintained relationships with recruitment agencies, tracking performance and facilitating communication for specialized candidate searches.

SKILLS

Recruitment Tools – LinkedIn Recruiter, Applicant Tracking System (ATS), BambooHR

HR & Recruitment – Talent Coordination, High Volume Candidate Management, End-to-End Recruitment Process, CV Screening, Interview Scheduling, Offer Negotiation

PROJECTS

Graduate Recruitment Drive Optimization

- Streamlined the onboarding process for a cohort of 30 graduate hires by implementing a standardized pre-boarding checklist and automated communication flow.
- Collaborated with department heads to refine interview criteria and scorecards, improving candidate assessment consistency by approximately 20%.
- Managed the intake and initial screening of over 500 applications for the graduate program over a 3-month period.

Talent Pool Development Initiative

- Developed and maintained a talent pipeline of over 200 passive candidates for critical engineering roles using LinkedIn Recruiter and targeted outreach campaigns.
- Assisted in creating candidate personas and tailored outreach messaging that increased engagement rates by 15% compared to previous campaigns.
- Tracked candidate engagement and progression through the recruitment funnel, providing weekly status updates to the People Team lead.
