PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Developed and maintained scalable web applications using **.NET (C#)** and **React**, adhering to modern web development practices.
- Designed and implemented responsive, user-friendly interfaces with a focus on usability and accessibility, translating design mockups into functional components.
- Contributed to architectural discussions, proposing and integrating technical improvements to enhance application performance and maintainability.
- Wrote clean, well-tested, and maintainable code, participating actively in code reviews to ensure adherence to coding standards and best practices.
- Collaborated with cross-functional teams, including product managers and designers, within an agile scrum framework to deliver features iteratively.
- Managed application deployments and configurations on **Microsoft Azure**, including setting up CI/CD pipelines for automated testing and release management.
- Integrated backend services via **REST APIs**, ensuring seamless data flow and communication between different application modules.

SKILLS

Backend Development – .NET, C#, REST APIs, Microservices

Frontend Development – React, UI/UX design principles, HTML, CSS

Cloud & DevOps – Microsoft Azure, Azure DevOps, CI/CD pipelines, Git

Databases – SQL, PostgreSQL

Methodologies – Agile, Scrum

PROJECTS

Enterprise Dashboard Modernization (HCL Technologies)

- Redesigned and rebuilt a core enterprise dashboard using **React** and **.NET Core**, improving data visualization and user interaction.
- Integrated with existing **SQL** databases (PostgreSQL) to fetch and display operational metrics, enabling real-time monitoring for key business processes.
- Implemented a new CI/CD pipeline using **Azure DevOps**, reducing deployment time for dashboard updates by 40%.

Internal Tooling Platform (HCL Technologies)

- Developed a suite of internal tools using **C#** and **.NET** to automate common development and operational tasks.
- Built a user-friendly interface with **React**, allowing developers to easily manage application configurations and monitor system health.
- Managed the deployment of these tools on **Microsoft Azure** cloud services, ensuring high availability and secure access.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin

Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India

2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
