PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Responded to and resolved an average of **15-20 daily tickets** across hardware, software, and network issues for faculty, staff, and students.
- Performed **hardware and software troubleshooting** on university-issued Dell and HP workstations, including operating system re-imaging and driver updates.
- Installed and configured a range of **university-standard software applications**, including Microsoft Office Suite, Adobe Creative Cloud, and specialized academic software.
- Managed **user account administration** within Active Directory for new hires and departing staff, ensuring timely access provisioning and de-provisioning.
- Provided **first and second-level support** for the university's campus-wide Wi-Fi network, diagnosing connectivity issues for over **200 users daily**.
- Documented common IT issues and resolutions in a **knowledge base**, contributing to a reduction in repeat ticket volume by approximately **10%**.
- Assisted with the **deployment of new hardware** across departments, including PC setup, peripheral installation, and user orientation for new systems.

SKILLS

Operating Systems – Windows 10/11, macOS

Hardware Support – Desktop & Laptop Troubleshooting, Printer Installation, Peripherals

Software Support – Microsoft Office Suite, Adobe Creative Cloud, Application Installation

Networking – TCP/IP, DNS, DHCP, Wi-Fi Troubleshooting

User Management – Active Directory, User Account Administration
