PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Managed a portfolio of **structured finance deals**, overseeing invoice collection, investor report validation, and loan interest payment date reconciliations.
- Served as the primary contact for allocated clients, ensuring accurate transaction setup and maintenance within the Global Corporate Trust team.
- Maintained precise ledgers for a portfolio of deals, including detailed balance and transaction information, and instructed external payments.
- Interpreted complex transaction documents to decipher intricate cash movements and specific legal or deal requirements, performing cash flow entries for funding activities.
- Responded to client inquiries and customer requests, building and developing client relationships through timely and accurate communication.
- Analyzed and reported daily cash movements and positions to the Treasury department, ensuring up-to-date financial oversight.
- Implemented and monitored controls across a portfolio of deals, adhering strictly to company policies, procedures, and government regulations.

SKILLS

Financial Services Domain – Structured Finance, ABS, RMBS, CMBS, Loan Servicing, Cash Management, Relationship Management, Corporate Trust

Core Finance Operations – Invoice Collection, Investor Reporting, Loan Collection, Interest Payment Dates, Transaction Management, Ledger Maintenance, Cash Flow Management
