PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Analyzed quality trends and supported root cause investigations for non-conforming products, identifying recurring issues to drive corrective actions.
- Consolidated and analyzed data related to non-conforming products by collaborating cross-functionally with Engineering, Manufacturing, and Production Administration teams.
- Compiled and reported daily quality metrics, ensuring data accuracy and visibility of quality performance across manufacturing operations.
- Developed and maintained quality documentation, including inspection records and other Quality Management System documentation, ensuring adherence to standards.
- Managed and tracked supplier quality certificates and documentation, ensuring records were consistently maintained and up-to-date.
- Supported quality improvement initiatives through data collection, **Excel** analysis, **database queries**, and performance reporting.
- Contributed to the management and continuous improvement of the **SharePoint** Quality portal for the European operations.

SKILLS

Quality Management – Quality Assurance, Quality Control, Non-conformances, Corrective Actions, Continuous Improvement, Root Cause Analysis, Quality Tools

Data Analysis & Reporting – Quality Trends, Data Collection, Data Analysis, Performance Reporting, Quality Metrics, Excel Analysis, Database Queries

Documentation & Administration – Documentation Management, Record Keeping, SharePoint, Quality Management System Documentation, Inspection Records, Supplier Certificates

Collaboration & Communication – Cross-functional Collaboration, Engineering, Manufacturing, Production Administration, Team Meetings, Interpersonal Skills, Attention to Detail

Core Software & OS – Microsoft Office Suite, Word, PowerPoint, Excel, Linux, Shell Scripting

PROJECTS

Manufacturing Quality Data Analysis Platform

- Developed a system for collecting and analyzing quality data from manufacturing processes, integrating **Excel** spreadsheets and **SQL** database queries.
- Designed and implemented dashboards in **Power BI** to visualize quality KPIs, track non-conformance trends, and support root cause investigations for production issues.
- Facilitated weekly quality review meetings by presenting performance metrics and analysis to engineering and production leads.

Supplier Quality Documentation Management System

- Engineered a process for managing and tracking supplier quality certificates and documentation using a centralized **SharePoint** repository.
- Automated reminders for expiring certificates and documentation updates, reducing manual follow-up by approximately **40%**.
- Collaborated with the procurement team to ensure all supplier documentation met regulatory and internal quality standards.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
