PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Provided technical and strategic leadership in the planning, design, and delivery of transportation and civil infrastructure projects through all stages of the project lifecycle, managing scope, programme, budget, and quality objectives.
- Led and oversaw multiple concurrent projects, ensuring coordinated delivery and adherence to commercial objectives, including fee and budget control, cash-flow forecasting, and work-in-progress management.
- Monitored project and portfolio performance, identifying and implementing corrective actions for risk, change, resourcing, profitability, and quality assurance, ensuring compliance with technical standards and company procedures.
- Developed and maintained trusted client relationships, identifying emerging needs and converting opportunities into viable commissions to support new business acquisition.
- Collaborated with cross-functional teams to develop and deliver integrated project solutions, ensuring successful transitions from secured work to commercially successful project delivery.
- Provided senior technical oversight for geometric design of transport schemes, including alignment, junction layouts, cross-sections, and active travel integration, coordinating with drainage, structures, and environmental constraints.
- Containerised Java Spring Boot services with Docker and deployed to an AWS EKS cluster, configuring basic resource limits and monitoring for predictable rollout and operational stability.

SKILLS

Project Management – Technical Leadership, Strategic Leadership, Project Delivery, Commercial Objectives, Resource Planning, Risk Management, Change Management, Quality Assurance, Client Relationships, Business Development, Tender Submissions, Financial Management

Transportation Engineering – Geometric Design, Pavement Design, Active Travel Integration, Drainage Coordination, Structural Coordination, Geotechnical Coordination, Environmental Constraints

Software Development – Java, Spring Boot, REST APIs, SQL, PostgreSQL, Python, Docker, AWS, Git, Jenkins

Methodologies – Agile, Scrum, Change Control Management

Data & Analytics – Power BI, Tableau, DAX, Data Modelling, Power Query, R, pandas, NumPy, scikit-learn

Operations – Production Support, Incident Response, SLA Management, Transaction Monitoring, Reconciliation Workflows

PROJECTS

Transportation Infrastructure Project Delivery Framework (HCL Technologies)

- Developed a comprehensive framework for managing transportation infrastructure projects, encompassing technical, commercial, and stakeholder management phases.
- Integrated project planning tools and risk assessment methodologies, improving coordination across design, construction, and handover stages for a portfolio of road and public realm projects.
- Designed reporting dashboards using Power BI to visualize project progress, resource utilization, and financial health for senior management and client stakeholders.

Civil Engineering Design & Analysis Platform (HCL Technologies)

- Engineered Python scripts to automate the processing of geometric and pavement design data, reducing manual effort by approximately 30% for analysis tasks.
- Developed REST APIs using Java Spring Boot to integrate design calculation modules with a central data repository, facilitating cross-service data exchange.
- Supported the deployment of microservices on AWS EC2 instances, managing configurations and basic monitoring for a suite of civil engineering analysis tools.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
