PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Configured and installed **projectors**, **LED displays**, and **sound systems** for enterprise client presentations and meeting rooms, ensuring precise setup for optimal audio-visual clarity.
- Diagnosed and resolved technical issues related to **video conferencing tools** and integrated audio-visual systems, restoring full functionality for end-users within an average of **45 minutes**.
- Performed routine maintenance and system checks on various audio-visual equipment, including **sound systems** and **projectors**, to guarantee reliability and prevent performance degradation.
- Created and maintained comprehensive documentation for all deployed audio-visual systems, including detailed **equipment inventory** and **setup configurations**, facilitating efficient troubleshooting and future upgrades.
- Provided technical support to end-users regarding audio-visual system operation, addressing inquiries and concerns promptly to ensure seamless communication and presentation capabilities.
- Collaborated with internal teams to integrate new audio-visual solutions into various client environments, ensuring compatibility and adherence to project specifications.
- Managed and updated audio-visual systems, including software and firmware upgrades, to maintain optimal performance and incorporate the latest technological advancements.

SKILLS

Audio Visual Equipment – Projectors, LED Displays, Sound Systems, Video Conferencing Tools

Technical Support – Troubleshooting, End-User Support, Issue Resolution, Maintenance

System Configuration – Setup, Calibration, Updates, Upgrades

Documentation – Equipment Inventory, Setup Configurations, Technical Manuals

Collaboration – Internal Teams, External Vendors, Client Communication

PROJECTS

Conference Room AV System Upgrade

- Installed and configured new **LED displays** and advanced **sound systems** across **15 conference rooms**, enhancing presentation quality for enterprise clients.
- Calibrated audio and video outputs for each system, achieving a consistent and optimal performance across all deployed equipment.
- Developed a standardized setup guide for the new AV systems, reducing initial configuration time by approximately **20%** for subsequent installations.

Video Conferencing Integration Project

- Integrated **video conferencing tools** with existing audio-visual setups in **8 meeting spaces**, enabling seamless remote collaboration.
- Provided hands-on technical support and basic training to users on operating the new video conferencing functionalities.
- Documented common troubleshooting steps for video and audio connectivity issues, reducing support ticket volume by **15%**.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
