PROFESSIONAL EXPERIENCE — 3.5+ YEARS

Trust & Safety Agent — Accenture, Dublin, Ireland Jul 2026 – Present

- Review and action user-generated content and account reports against a large-scale online platform's **community standards** and policies.
- Investigate escalated abuse cases, including harassment, hate speech, scams, and inauthentic behaviour, ensuring timely resolution.
- Document enforcement decisions with accuracy and detail, contributing to policy refinement and trend analysis.
- Identify and flag emerging abuse trends, supporting proactive risk mitigation strategies and policy updates.

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Developed Java Spring Boot applications, implementing REST APIs for data integration and system communication.
- Wrote SQL queries for data validation and ad-hoc analysis supporting financial transaction monitoring.
- Applied Python scripting for data pipelines and automated reporting, enhancing data accuracy for operational insights.
- Managed production support for enterprise applications, responding to P1/P2 incidents under strict SLAs.
- Monitored system health and transaction flows using Splunk and Dynatrace, identifying operational anomalies.
- Handled escalations from operations teams, providing timely triage and resolution for payment processing issues.
- Maintained detailed documentation and audit trails for system changes and incident responses in regulated environments.

SKILLS

Partner Operations – Execution, Performance Management, Vendor Management, Operational Oversight, Quality Governance, Risk Management, Process Improvement, Operational Excellence, Cross-Functional Collaboration.

Trust & Safety Operations – Content Review, Policy Enforcement, Community Guidelines, Escalations, Risk Assessment, Abuse Investigations (Harassment, Hate Speech, Scams, Inauthentic Behaviour, Graphic Content).
