PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Supported the Director and centre staff in managing administrative structures and procedures for the Innovation & Industry Engagement Centre, ensuring efficient daily operations.
- Organised and actively participated in team meetings, accurately taking minutes and coordinating follow-up actions to ensure project milestones were met.
- Managed the administration of the Salesforce CRM and team databases, collaborating with external service providers to ensure platform effectiveness and data integrity.
- Processed all procurement and expense claims for the centre team, liaising with finance and other operational functions to maintain budgetary controls and accurate financial tracking.
- Developed and managed an efficient tracking and filing system, ensuring immediate access and retrieval of all critical documentation with strict confidentiality.
- Provided comprehensive support for incoming visitors and organised travel and accommodation arrangements, ensuring a seamless experience for external stakeholders.
- Assisted with KPI reporting for the centre team, gathering data from various sources and contributing to the definition and publication of financial updates and analysis.
