PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Delivered **production support and reliability engineering** for enterprise Java/.NET applications across **3.5 years**, managing P1/P2 incidents with SLA accountability using **Splunk, CloudWatch, and Dynatrace** for continuous monitoring and root cause diagnosis.
- Automated testing and quality assurance workflows using **Python** scripting for data validation, ETL pipelines, and scheduled reporting; developed automated test plans to improve patch delivery efficiency and reduce manual verification overhead.
- Designed and maintained **CI/CD pipelines** with **Jenkins** and **Git**, including release pipeline preparation, build creation, and code review processes aligned with Agile/Scrum ceremonies and enterprise deployment standards.
- Built and maintained **REST APIs** using **Java Spring Boot** on existing microservices; performed SQL query optimization and schema changes across **PostgreSQL, MySQL, and Oracle** databases to support application reliability.
- Gained hands-on cloud-native infrastructure experience with **AWS** (EC2, S3, Lambda, CloudWatch) and **Docker** containerization; scripted Linux automation using shell and cron jobs for operational efficiency.
- Completed **MSc in Data Analytics** with expertise in data pipelines and analysis; hold certifications in **Full Stack Java Spring Boot & Angular** and **Web Development**, demonstrating continuous learning in software development and MLOps-adjacent disciplines.

SKILLS

Programming Languages – Python, Java, SQL, Shell scripting.

CI/CD & Release Engineering – Jenkins, Git, GitHub, release pipeline preparation, build creation, patch review.

Testing & Quality Assurance – Test automation, test plan development, PyTest, automated testing frameworks.

Cloud & Container Technologies – AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux, cloud-native fundamentals.

Backend Development – Spring Boot, REST APIs, Flask, FastAPI.

Databases & Data Engineering – PostgreSQL, MySQL, Oracle, ETL pipelines, pandas, NumPy.

Monitoring & Observability – Splunk, Dynatrace, CloudWatch, SLA management, incident response.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Enterprise Application Monitoring & Incident Response (HCL Technologies)

- Managed **24/7 production support** for Java/.NET enterprise applications, leveraging **Splunk** and **Dynatrace** to detect anomalies and diagnose root causes of failures affecting global customers.
- Orchestrated P1/P2 incident resolution workflows with SLA accountability; collaborated with development and QE teams across time zones to deliver timely fixes and maintain service uptime.
- Developed **Python automation scripts** to reduce manual monitoring overhead by **30%**, enabling faster response to critical issues and improved continuous delivery processes.

CI/CD Pipeline & Release Automation (HCL Technologies)

- Designed and maintained **Jenkins**-based CI/CD pipelines for Java Spring Boot microservices; standardized Git branching strategies and code review processes to ensure quality gate enforcement.
- Automated test execution and onboarded **PyTest**-driven test suites into continuous integration workflows, improving patch delivery quality and reducing regression risk.
- Built release pipeline infrastructure supporting build creation, artifact management, and deployment scheduling; collaborated with DevOps teams to ensure maintenance stream delivery met Red Hat customer quality standards.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
