PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Managed daily oversight of third-party fund administrators, depositaries, and investment managers, ensuring adherence to **SLAs** and processing of investor dealings.
- Assisted in reviewing administrator calculations for investor dealing-related fees, including entry and exit costs, for multiple collective investment schemes.
- Prepared and delivered monthly management reporting, including **Management Company** and **Board reports**, to stakeholders.
- Performed monthly oversight and regulatory checks, including **UBO**, ongoing charges, and **SRRI/SRI reviews**, ensuring compliance with financial regulations.
- Collaborated with the business development team on ad hoc projects related to transfer agency operations and new fund launches.
- Developed and maintained procedural documentation, including policy, procedures, and process flows, to meet internal control and external compliance requirements.
- Supported client onboarding for new fund/class launches, including applications for **security IDs** and distribution of static data files.

SKILLS

Financial Operations – Investor Oversight, Fund Administration, Depositary Oversight, Investment Management, Transfer Agency, Investor Dealings, Fee Calculation, Regulatory Checks, UBO, SRRI, SRI
