PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Managed weekly **Own Brand performance reports**, extracting and interpreting data on sales, margin, waste, and availability for senior leadership.
- Developed and maintained **range planning insights** by analyzing customer, sales, and product performance data to optimize assortment and identify range gaps.
- Led **waste reduction initiatives** by identifying root causes and implementing improvements across forecasting, ordering, and store execution, reducing waste by an average of **14%** over a six-month period.
- Partnered with **Commercial, Operations & Supply Chain teams** to provide commercial insights and recommendations, influencing strategic decisions for profitable growth.
- Conducted detailed analysis of **brand performance, customer trends, promotional activity, and pricing strategies** to identify opportunities for profitable growth and present findings to stakeholders.
- Developed and maintained **Own Brand SOPs**, ensuring clear standards for product handling, merchandising, availability, and waste management, which were adopted across **50+** retail sites.
- Implemented change, introduced new processes, and drove efficiencies within the department through **project management** of cross-functional initiatives.

SKILLS

Commercial Analysis – Sales, Margin, Waste, Availability, Stockholding, Product Performance, Range Planning, Assortment Optimization, SKU Rationalization, New Product Development, Space Planning, Display Plans, Forecasting, Distribution Management, Waste Reduction, SOP Development, Merchandising, Quality Management, Operational Execution

Data Analysis & Reporting – Excel, PowerPoint, Power BI, Data Interpretation, Commercial Data Manipulation, Trend Analysis, Customer Insights, Competitor Analysis, Market Trends, Industry Trends, KPI Performance

Core Technologies – Microsoft Office Suite, SAP (advantageous), SQL (PostgreSQL, MySQL, Oracle)

Retail & FMCG – Convenience Retail, Grocery Retail, FMCG, Foodservice, QSR, Own Brand, Food to Go Market Dynamics, Category Management, Consumer Behaviour

Project & Stakeholder Management – Stakeholder Management, Relationship Building, Supplier Management, Cross-functional Collaboration, Presentation Skills, Communication Skills, Problem-Solving, Decision-Making, Project Management, Change Management, Process Improvement, Continuous Improvement, Proactive Mindset

PROJECTS

Own Brand Performance Analysis and Reporting

- Developed a comprehensive **Power BI dashboard** to visualize weekly Own Brand performance, integrating data from multiple sources to track sales, margin, and waste KPIs.
- Analyzed **customer purchasing patterns and promotional effectiveness** using historical sales data, identifying key drivers for underperforming SKUs and recommending a **15%** rationalization.
- Collaborated with the Commercial Food team to refine the forecasting process, resulting in a **10% reduction** in stockholding and improved product availability across the network.

Retail Operations Process Improvement

- Documented and standardized **Own Brand Standard Operating Procedures (SOPs)** for merchandising, stock management, and waste reduction, enhancing operational consistency.
- Managed a pilot program to implement new waste tracking mechanisms at **20 retail locations**, identifying key areas for improvement and reducing spoilage by an average of **8%**.
- Assisted in the development of new product launch plans by analyzing market trends and competitor offerings to inform assortment decisions.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
