PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Provided first-line technical support for **Windows 11** and **Microsoft 365** issues for an enterprise user base of over 500 employees.
- Built and deployed new **Windows 11** devices for new starters, ensuring all essential software and network connectivity were configured prior to handover.
- Troubleshot **VPN** and **network connectivity** problems for remote and on-site users, escalating complex infrastructure issues to senior engineers.
- Logged and managed IT incidents using **ServiceNow**, maintaining detailed records and updating users on resolution progress.
- Supported end-users with core networking concepts and hardware troubleshooting, demonstrating a professional and customer-focused approach.
- Assisted in the migration of user profiles and data during device refresh cycles, ensuring minimal disruption to business operations.
- Maintained IT asset inventory and managed the lifecycle of hardware, including setup, decommissioning, and disposal processes.

SKILLS

Operating Systems – Windows 11, Linux

Productivity Suites – Microsoft 365

Networking – VPN, Network Connectivity

IT Support Tools – ServiceNow, Jira, Confluence, Splunk, Dynatrace

Hardware – Desktop, Laptop, Peripherals

Cloud Platforms – AWS (EC2, S3, Lambda, CloudWatch)

Programming & Scripting – Python, Java, SQL

PROJECTS

Enterprise Desktop Deployment Automation

- Developed Python scripts to automate the initial configuration of new **Windows 11** workstations, reducing setup time by **35%**.
- Integrated scripting with **Intune** policies for streamlined software deployment and policy enforcement across a fleet of 200+ devices.
- Created detailed documentation and ran knowledge-sharing sessions for the support team on automated deployment procedures.

IT Service Management Improvement Initiative

- Analyzed incident ticket data in **ServiceNow** to identify recurring issues and propose proactive solutions for common end-user problems.
- Contributed to the creation of a knowledge base for common troubleshooting steps, aiming to improve first-call resolution rates.
- Assisted in defining escalation paths for complex issues, ensuring timely routing to specialized engineering teams.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
