PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Produced and validated fund data, including performance metrics, fees, and share class information, for delivery to **15+ distribution partners** across multiple platforms.
- Coordinated the timely dissemination of fund factsheets, KIDs/KIIDs, and sustainability disclosures, ensuring consistency and accuracy for **all published fund materials**.
- Investigated and resolved data discrepancies with internal stakeholders, external vendors, and platform partners, implementing a new validation process that reduced errors by **~20%**.
- Assisted the Head of Fund Platform Distribution in managing relationships with key platform partners, contributing to the successful onboarding of **4 new fund platforms** within the first year.
- Generated weekly and monthly reports on platform assets, fund flows, and sales activity, providing key insights that informed strategic distribution decisions for the **firm's fund range**.
- Performed quality assurance reviews on fund data across distribution channels, identifying and rectifying inconsistencies to maintain a high standard of data accuracy for **regulatory and commercial reporting**.
- Supported the assessment of new share classes and distribution initiatives by evaluating commercial and operational feasibility, contributing to the evaluation of **3 potential new offerings**.

SKILLS

Platform & Distribution – Fund Platforms, Third-Party Distributors, Pension Platforms, Data Providers, Platform Due Diligence, Fund Onboarding, Relationship Management

Data Management & Reporting – Fund Data, Performance Data, Share Class Information, Fund Characteristics, ESG Data, Regulatory Disclosures, Factsheets, KIDs/KIIDs, Data Validation, Quality Assurance, Data Discrepancies

Financial Services Domain – Investment Funds, Fund Operations, Fund Distribution, Intermediary Distribution Models, Fund Structures, UCITS Funds, Morningstar Direct, FE Fundinfo, Bloomberg

Analytical & Commercial Skills – Analytical Skills, Commercial Data Interpretation, Fund Flows, Market Trends, Competitor Positioning, Distribution Trends, Asset Growth

Stakeholder & Communication – Stakeholder Management, Communication Skills, Presentation Skills, Building Relationships, Internal Collaboration, External Vendor Management

Tools & Software – Microsoft Excel (Advanced), PowerPoint, SQL, Power BI, Tableau, R, Python (pandas, NumPy, scikit-learn)

PROJECTS

Fund Data Harmonization for Distribution Channels

- Developed a Python script to ingest and standardize fund data from disparate internal systems, ensuring consistent formatting for **over 50 fund products**.
- Implemented automated data validation checks using pandas to identify and flag discrepancies in performance data, fees, and regulatory disclosures before submission to external platforms.
- Generated consolidated reports on data quality and identified key areas for improvement, contributing to a **15% reduction** in data correction cycles.

Platform Relationship & Reporting Dashboard

- Designed and built an interactive dashboard in **Power BI** to visualize key distribution metrics, including AUM, fund flows, and platform adoption rates for **10+ key partners**.
- Integrated data from various internal sources and external platform reports, enabling the Head of Distribution to track platform performance and identify new opportunities.
- Created custom DAX measures to analyze sales activity and distribution trends, supporting strategic decision-making and commercial input for new product launches.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
