HARIRAMAKRRISHNAN RAMACHANDRAN

+353 89 970 6156 • hariramakrrish@gmail.com • Dublin, Ireland • **Stamp 1G — Full-Time Work Eligible**

PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Managed the incident queue in **ServiceNow**, resolving issues for the **Electronic Batch Records**, Weigh and Dispense, and Equipment Management modules on the **Emerson Syncade MES** solution.
- Initiated and executed **Change Control** activities, ensuring adherence to Quality Standards and Practices for MES recipe configurations.
- Investigated and troubleshot problems within the MES environment, developing solutions and recommendations for system improvements and updates.
- Authored and maintained high-quality, well-documented **MES recipes** and configurations, ensuring ease of future maintenance and updates.
- Prioritized and managed support activities, aligning with project schedules and deadlines for MES recipe deployments and testing.
- Generated computer system validation documentation in accordance with site procedures and **GMP guidelines**, supporting regulatory compliance.
- Developed and deployed **Visual Basic** scripts for configuration management and code deployment within the MES environment.

SKILLS

MES Systems – Emerson Syncade, MES Recipe Authoring, Electronic Batch Records, Weigh and Dispense, Equipment Management

IT Support & Change Management – ServiceNow, Incident Management, Change Control, GMP, Quality Standards, Problem Solving

Programming & Scripting – Visual Basic, MS SQL Server

Manufacturing Domain – Biotech Manufacturing, Pharmaceutical Production, Quality Control

Collaboration & Communication – Cross-functional Teams, Business Users, Stakeholder Management, Written and Oral Communication

PROJECTS

MES Recipe Configuration and Deployment

- Designed and implemented new MES recipes for a biotech manufacturing client, focusing on efficient batch record processing and equipment management.
- Developed a set of standardized configuration templates using **Visual Basic**, reducing the average time to deploy new recipe variants by **18%**.
- Collaborated with business users to gather requirements for recipe modifications, ensuring alignment with production needs and quality standards.

MES Support and Documentation Enhancement

- Provided direct production support for the MES system, troubleshooting and resolving an average of **15** critical incidents per month.
- Authored detailed technical documentation and user guides for MES recipe authoring processes, improving onboarding efficiency for new team members by **30%**.
- Assisted in the generation of Computer System Validation documentation for MES changes, adhering to site-specific **GMP** protocols.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
