HARIRAMAKRRISHNAN RAMACHANDRAN

+353 89 970 6156 • hariramakrrish@gmail.com • Dublin, Ireland • **Stamp 1G — Full-Time Work Eligible**

PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Translated the Chief Growth Officer's strategic priorities into a **detailed action plan** with defined milestones, owners, and dependencies, ensuring alignment with contracted **MW targets**.
- Managed the accuracy and integrity of the **growth pipeline**, meticulously tracking stage, validated MW, customer sponsor, next action, and close dates to inform weekly **pipeline reviews**.
- Developed and maintained **commercial models** and opportunity comparisons, analysing MW, revenue, costs, and EBITDA implications to support executive decision-making.
- Coordinated cross-functional efforts across legal, finance, technical, and delivery teams to manage the commercial workflow from proposal to signed **customer agreements**.
- Prepared concise **decision papers** and recommendations for the CGO and executive team, translating complex data into actionable insights for strategic planning.
- Analyzed **customer sites** and flexibility potential in coordination with technical specialists, contributing to the development of multi-site commercial propositions and standardized **site schedules**.
- Containerized backend services for a **payments operations dashboard** using **Docker** and deployed to an **AWS EC2** instance, enhancing deployment consistency and operational efficiency.

SKILLS

Analysis & Reporting – Commercial Analysis, Pipeline Management, Account Management, Market Analysis, Data Analysis, Financial Modelling, EBITDA Analysis, Forecasting, Decision Papers, Executive Reporting, Scorecards, Presentation Materials

Project & Process Management – Action Planning, Milestone Tracking, Dependency Management, Stakeholder Coordination, Workflow Management, Change Control, UAT Coordination, Process Improvement, Risk Escalation

Tools & Technologies – Microsoft Excel, Microsoft PowerPoint, Jira, Confluence, Git, Jenkins, Splunk, Dynatrace, AWS (EC2, S3, Lambda, CloudWatch), Docker, PostgreSQL, MySQL, Oracle, Python, Java, Spring Boot

Domain Knowledge – Energy Markets, Industrial Customers, Energy-Intensive Customers, Data Centres, Battery Energy Storage, Flexibility Assets, Contract Negotiation, Commercial Propositions, Site Qualification

Data Visualization & BI – Power BI, Tableau, DAX, Power Query, Data Modelling, Business Intelligence, Dashboards

PROJECTS

Enterprise Growth Pipeline Management System

- Developed a Python-based application to manage and visualize the enterprise **growth pipeline**, integrating data from multiple sources for comprehensive analysis.
- Implemented automated tracking of **contracted MW**, forecast MW, and probability-weighted pipeline value, providing real-time visibility to stakeholders.
- Designed and built interactive **dashboards** in Power BI to present key performance indicators, including conversion rates and revenue implications, to the executive team.

Financial Services Operations Dashboard Enhancement

- Enhanced a **payments operations dashboard** by building **Java Spring Boot** microservices to process and monitor transaction flows, improving operational alerting for failed payments.
- Automated data validation and reconciliation workflows using **Python scripting** and **SQL** queries against **PostgreSQL** databases, reducing manual effort by approximately 20%.
- Integrated **Splunk** for enhanced log analysis and monitoring of critical services, contributing to faster incident response times for the financial-services client.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
