# HARIRAMAKRRISHNAN RAMACHANDRAN

+353 89 970 6156 • hariramakrrish@gmail.com • Dublin, Ireland • **Stamp 1G — Full-Time Work Eligible**

## PROFESSIONAL EXPERIENCE — 3.5 YEARS

**Software Engineer — HCL Technologies, Chennai, India** Sep 2021 – Jan 2025

- Provided technical support for complex user-reported issues via email and phone, consistently meeting **KPI targets** for ticket resolution time.
- Achieved expert working knowledge of **Dropbox Sign** and **DocSend** products, enabling effective troubleshooting and solution delivery for enterprise customers.
- Communicated customer issues internally, triaging them to the appropriate engineering and product teams, and documenting recurring problems to improve product quality.
- Developed and executed a project to systematically improve customer experience by analyzing ticket trends and proposing workflow optimizations to the CX strategy team.
- Documented recurring issues and user feedback, contributing to product development initiatives and maintaining agent resources with detailed troubleshooting guides.
- Collaborated with cross-functional teams, including product and engineering, to provide user insights and drive product improvements based on customer reported issues.
- Managed sensitive customer data with a high degree of confidentiality and employed strong judgment in assessing and escalating critical issues.

## SKILLS

**Support Tools** – Jira, Zendesk, Slack, Zoom

**Operating Systems** – Microsoft Windows, macOS

**Productivity Software** – Dropbox Sign, DocSend

**Core Competencies** – Technical Support, Customer Facing, Project Management, Process Optimization, Analytical Skills, Critical Thinking, Communication, Teamwork, Adaptability, Judgment, Confidentiality

**Programming Concepts** – API Knowledge, Advanced Understanding of Programming Languages

## PROJECTS

### Customer Issue Triage and Documentation System

- Designed and implemented a system for triaging customer-reported issues, categorizing them by product area and severity using **Jira** workflows.
- Developed comprehensive documentation for common product issues and resolutions, creating a knowledge base that reduced average resolution time by **18%** for tier 1 support agents.
- Collaborated with product managers to feed aggregated issue data into the development cycle, influencing prioritization for bug fixes and feature enhancements.

### Desktop OS Troubleshooting Guide Development

- Authored detailed troubleshooting guides for common issues encountered on **Microsoft Windows** and **macOS** desktop operating systems, focusing on user-facing problems.
- Created step-by-step instructions and visual aids to enable customers to resolve issues independently, improving self-service rates by **22%**.
- Gathered feedback from support agents and customers to iterate on guides, ensuring accuracy and clarity in technical explanations.

## EDUCATION

**M.Sc. Data Analytics — National College of Ireland, Dublin** Feb 2026

**B.E. Computer Science — SNS College of Technology, Coimbatore, India** 2021

## CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
