PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Managed and resolved an average of **45 support tickets weekly** originating from third-party customer service teams, ensuring timely issue resolution and escalation.
- Served as a primary liaison between internal technical teams and external customer service representatives, translating complex technical issues into actionable insights for support ticket resolution.
- Monitored and tracked the progress of internal technical support tickets, providing regular status updates to relevant stakeholders and ensuring adherence to service level agreements.
- Addressed customer queries and issues with a focus on empathy and efficiency, achieving high levels of customer satisfaction through effective problem-solving and communication.
- Collaborated with internal technical teams to troubleshoot and resolve issues within the scope of the role, contributing to a seamless service delivery process.
- Documented customer interactions, technical ticket progress, and resolution steps accurately within the ticketing system, maintaining clear and comprehensive records.
- Assisted in the creation of **knowledge base articles and FAQs**, improving efficiency for both internal teams and third-party service providers.

SKILLS

Customer Support – Ticket Management, Escalation, Issue Resolution, Customer Inquiries, Troubleshooting Assistance, Customer Satisfaction, Communication Skills, Problem-Solving Skills, Customer Focus, Adaptability.

Technical Support – Internal Technical Team Collaboration, Technical Ticket Monitoring, Status Updates, Documentation, Knowledge Base Creation, FAQ Development.
