## PROFESSIONAL EXPERIENCE — 3.5 YEARS

**Software Engineer — HCL Technologies, Chennai, India** Sep 2021 – Jan 2025

- Provided **hands-on IT support** for **end-user hardware** including **laptops, desktops, and printers**, ensuring timely resolution of hardware issues for a 300-person office.
- Managed **IT onboarding and offboarding** processes for new hires and departing employees, including the setup, distribution, and collection of **company-issued devices**.
- Supported **IT and AV systems** for 15+ corporate events annually, ensuring seamless operation of **video conferencing units** and presentation equipment.
- Collaborated with **central IT infrastructure teams** to perform on-site hardware installations, replacements, and troubleshooting for network devices and servers.
- Acted as **remote hands** for the resolution of technical issues, including **hardware diagnostics** and component replacements, reducing the need for remote engineer site visits.
- Documented and reported on all IT asset management activities, including **hardware installations and decommissioning**, adhering to established IT governance and compliance policies.
- Maintained and physically inspected local site IT infrastructure, including **server racking** and basic UPS checks, ensuring optimal performance and adherence to standards.

## SKILLS

**Hardware Support** – Laptops, Desktops, Smartphones, Tablets, Printers, Peripherals, Hardware Installation, Decommissioning, Troubleshooting, Hardware Replacement

**IT Infrastructure** – Office IT Infrastructure, Network Devices, Telephony Equipment, AV Systems, Digital Signage, Lab Equipment, Servers, UPS, Cabling, Racking

**IT Operations** – Onboarding, Offboarding, Device Distribution, Remote Hands Support, IT Asset Management, Documentation, Compliance, Security Policies

**Operating Systems** – Windows, macOS

**Networking** – TCP/IP, DNS, DHCP

**IT Service Management** – ITIL Foundation (familiarity), Ticketing Systems, Incident Management, Problem Management

## PROJECTS

### On-Site Hardware Rollout and Support Initiative

- Executed a phased rollout of 150 new **corporate laptops** across multiple office locations, managing device imaging, configuration, and user setup.
- Developed a standardized checklist for **end-user device decommissioning**, improving the efficiency of asset recovery and data sanitization processes by 20%.
- Provided dedicated **on-site technical support** during the rollout, resolving an average of 15 hardware and configuration issues per day for end-users.

### Corporate Event Technology Support Enhancement

- Streamlined the setup and testing process for **video conferencing systems** and AV equipment for over 20 company-wide virtual and hybrid events.
- Created a comprehensive troubleshooting guide for common **telephony and AV issues**, enabling faster resolution by on-site support staff.
- Managed the deployment and collection of temporary IT equipment for events, ensuring all technology was functional and returned properly.

## EDUCATION

**M.Sc. Data Analytics — National College of Ireland, Dublin** Feb 2026

**B.E. Computer Science — SNS College of Technology, Coimbatore, India** 2021

## CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
