PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Executed the deployment of **Windows 10 images** on a large batch of laptops, ensuring all configurations and peripherals were correctly set up for end-users.
- Managed the migration of user profiles from legacy devices to new laptops using the **MDT process**, ensuring data integrity and minimal disruption to users.
- Installed **customer-requested applications** on user machines as part of the device refresh project, adhering to project timelines and specifications.
- Collaborated with **operations and Helpdesk** teams to troubleshoot and resolve device migration issues, escalating complex problems as needed.
- Provided direct **customer support**, both in-person and remotely, to address migration-related concerns and ensure a smooth transition to new hardware.
- Maintained detailed records of all deployment issues, including patches, features, and permissions, within the project's **ticketing system**.
- Performed **software and hardware troubleshooting** on new Windows 10 devices to resolve issues arising during the deployment phase.

SKILLS

Operating Systems – Windows 10, Linux

Deployment Tools – MDT, SCCM

Microsoft Ecosystem – Active Directory, Group Policy, O365, SharePoint, Outlook, Skype for Business

Troubleshooting – Software Troubleshooting, Hardware Troubleshooting, Network Diagnostics

Customer Interaction – Customer Support, User Profile Migration, Requirements Gathering

PROJECTS

Enterprise Laptop Deployment & Refresh

- Managed the end-to-end deployment of **new Windows 10 laptops** across a corporate environment, imaging over 300 devices.
- Migrated user profiles and critical application data using **MDT and user state migration tools**, ensuring a seamless handover to end-users.
- Collaborated with IT operations to integrate new devices into the **Active Directory domain** and configure necessary group policies.

Desktop Image Creation and Rollout

- Developed and tested a standardized **Windows 10 desktop image**, incorporating essential applications and security configurations.
- Coordinated with the PC Lab team to prepare devices for deployment, including hardware checks and peripheral setup.
- Documented the deployment process and common troubleshooting steps for the **Helpdesk team** to ensure efficient support.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
