HARIRAMAKRRISHNAN RAMACHANDRAN

+353 89 970 6156 • hariramakrrish@gmail.com • Dublin, Ireland • **Stamp 1G — Full-Time Work Eligible**

PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Configured and deployed **Cisco routers, switches, and firewalls** in a multi-site pharmaceutical environment, coordinating rack and stack operations with onsite teams.
- Performed **break-fix troubleshooting and hardware swaps** for network devices, managing RMA processes and ensuring minimal disruption to site operations.
- Executed **IOS upgrades and testing** on Cisco network infrastructure, validating device functionality and adherence to network stability standards.
- Conducted **wireless site surveys** to assess RF coverage and identify optimal access point placement, ensuring robust Wi-Fi connectivity across client facilities.
- Developed and maintained detailed **Visio diagrams** and site documentation for network infrastructure, supporting accurate record-keeping and change management.
- Troubleshot complex **LAN, WAN, and WLAN connectivity issues**, liaising effectively with remote Network Operations Centers, telecommunication providers, and hardware vendors.
- Managed **structured cabling installations**, including fibre and copper, and performed cable tracing to identify and resolve physical layer network faults.

SKILLS

Networking Hardware – Cisco Routers, Cisco Switches, Firewalls, Access Points

Network Protocols – LAN, WAN, WLAN, TCP/IP, OSPF, BGP, VLAN

Network Services – DHCP, DNS, VPN, Wireless Site Surveys, Cabling (Fibre, Copper)

Troubleshooting & Diagnostics – IOS Upgrades, Break-fix, RMA, Cable Tracing, Network Monitoring

Documentation & Tools – Visio Diagrams, Site Documentation, Network Operations Center (NOC) Liaison, Vendor Management

Operating Systems – Linux

PROJECTS

Site Network Infrastructure Rollout (HCL Technologies)

- Managed the deployment of **Cisco network equipment** across three new client office locations, including routers, switches, and firewalls, adhering to strict project timelines.
- Executed physical installations, including **rack and stack** procedures and initial device configuration, ensuring all hardware was correctly cabled and powered.
- Collaborated with the remote Network Operations Center to integrate new sites into the enterprise network, performing initial connectivity tests and handing over documentation for ongoing support.

Network Connectivity Enhancement Project (HCL Technologies)

- Diagnosed and resolved persistent **WLAN connectivity issues** for a key financial services client by performing detailed site surveys and optimizing access point configurations.
- Updated and standardized **Visio network diagrams** and asset inventories for a portfolio of enterprise client sites, improving the accuracy of network documentation by over 40%.
- Assisted in the upgrade of **Cisco IOS versions** across edge devices, implementing rollback plans and performing post-upgrade validation to ensure service continuity.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
