HARIRAMAKRRISHNAN RAMACHANDRAN

+353 89 970 6156 • hariramakrrish@gmail.com • Dublin, Ireland • **Stamp 1G — Full-Time Work Eligible**

PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Coordinated **infrastructure project plans**, tracking milestones and driving actions for network upgrades and server replacements, ensuring adherence to deadlines.
- Managed **project documentation**, status reports, and RAID logs using **Asana**, providing clear visibility to project managers and stakeholders.
- Supported **cloud infrastructure** initiatives, including planning for server replacements and office moves, by liaising with technical teams and vendors.
- Facilitated communication between **technical teams**, stakeholders, and vendors to maintain project momentum and resolve blockers on infrastructure delivery.
- Contributed to the successful execution of **M&A; integration activities** by coordinating technical tasks across disparate systems and teams.
- Developed and maintained **project schedules** and action logs for multiple concurrent infrastructure projects, ensuring end-to-end delivery ownership.
- Participated in **change-control management** processes for system configuration updates, coordinating UAT and providing post-go-live support across interconnected systems.

SKILLS

Project Management – Project Plans, Milestones, Actions, Deadlines, RAID Logs, Documentation, Reporting, Stakeholder Management, Vendor Management, Risk Management, Change Management

Infrastructure – IT Infrastructure, Network Upgrades, Cloud Infrastructure, Server Replacements, Office Moves, M&A;

Tools – Asana, Jira, Confluence, Git, Jenkins

Cloud – AWS (EC2, S3, Lambda, CloudWatch)

Programming & Scripting – Python, Java, SQL

Methodologies – Agile, Scrum

PROJECTS

Enterprise Infrastructure Upgrade Coordination (HCL Technologies)

- Coordinated a multi-phase **enterprise infrastructure upgrade** program, focusing on server replacements and network refreshes across internal systems.
- Managed project timelines and resource allocation for a team of 5 engineers, ensuring timely delivery of infrastructure components using **Agile** methodologies.
- Developed comprehensive project status reports and documentation for senior management, highlighting progress, risks, and mitigation strategies for the upgrade initiative.

Cloud Migration Planning & Execution Support (HCL Technologies)

- Supported the planning and execution phases of a **cloud migration** project, assisting with the transition of on-premise applications to AWS.
- Authored detailed runbooks and operational guides for migrated services, improving incident response times by approximately 15% for the operations team.
- Collaborated with development and operations teams to define infrastructure requirements and deployment strategies for new cloud-based services.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
