PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Provided hands-on AV setup, teardown, and live support for internal events across Dublin and Paris offices, ensuring seamless execution for **all-hands** and team gatherings.
- Managed and troubleshot AV equipment and conferencing systems in meeting rooms across EMEA offices, resolving issues with **projectors, audio systems, and video conferencing units**.
- Acted as EMEA's "remote hands" for on-site technical troubleshooting, physically diagnosing and resolving **faulty devices and cabling problems** in the Dublin office to minimize downtime.
- Coordinated with facilities vendors and internal teams to manage **day-to-day workplace matters** in the Dublin office, including supplies, deliveries, and maintenance requests.
- Supported vendor coordination and tracked progress for regional technical and workplace initiatives, assisting with **budget tracking** for AV and technical equipment expenses.
- Utilized **Jira** for ticketing and tracking **workplace and facilities requests**, ensuring timely resolution and clear communication with requestors.
- Contributed to **light automation** efforts using internal tools like **Notion** to improve team workflows and employee experience in the Dublin office.

SKILLS

AV & Event Production – AV setup, Teardown, Live Support, Livestreaming, Broadcast Setup, Event Coordination, Vendor Management

Technical Support – On-site Troubleshooting, Device Diagnosis, Cabling, Meeting Room Systems, Conferencing Systems, Network Closets, Building Technology

Workplace Operations – Supplies Management, Delivery Coordination, Service Provider Management, Facilities Maintenance, Health & Safety Compliance, Risk Prevention

Project & Process Management – Project Tracking, Budget Tracking, Process Improvement, Automation (Light), Jira Ticketing, Confluence

Operating Systems & Networking – Linux, Shell Scripting, Network Fundamentals, Building Automation, IoT Platforms

PROJECTS

EMEA Office AV & Technical Support Enhancement

- Designed and implemented standardized AV setup and teardown procedures for recurring internal events across Dublin, Paris, and London offices, reducing setup time by an average of **20%**.
- Managed inventory and proactive maintenance for AV equipment across **15+ meeting rooms** in the Dublin office, troubleshooting and resolving common hardware issues before they impacted users.
- Developed a **Jira-based workflow** for tracking AV and technical support requests, enabling faster triage and resolution by coordinating with external vendors and internal IT.

Dublin Office Facilities & Operations Improvement

- Streamlined the process for managing office supplies and deliveries in Dublin by implementing a **shared digital checklist**, ensuring consistent availability and reducing ad-hoc purchasing needs.
- Coordinated basic building maintenance tasks with landlords and service providers, including HVAC and electrical checks, to ensure **compliance with local health and safety regulations**.
- Assisted in the deployment of new **smart lighting controls** in common areas, working with vendors to integrate the system and provide basic user guidance.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin

Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS
