## PROFESSIONAL EXPERIENCE — 3.5 YEARS

**Software Engineer — HCL Technologies, Chennai, India** Sep 2021 – Jan 2025

- Administered **Microsoft Intune** for mobile device enrollment, compliance policies, and application management across a fleet of **5,000+ corporate and BYOD devices**.
- Managed the lifecycle of **20+ internally developed and third-party mobile applications**, including deployment, upgrades, and retirement processes using Intune.
- Engineered and maintained **Microsoft Entra Application Proxy** solutions, ensuring secure publishing of on-premises applications with **single sign-on** capabilities for internal users.
- Supported **Microsoft Global Secure Access**, configuring Private Access and Internet Access policies and integrating with Entra ID identity controls.
- Resolved **~15-20 daily** user requests and incidents via **ServiceNow**, including business-critical escalations and vendor support coordination with Microsoft and Apple.
- Developed **PowerShell scripts** to automate routine administrative tasks, reducing manual effort for application deployment and policy configuration by an estimated **20%**.
- Coordinated **iOS and iPadOS release-readiness testing**, partnering with development teams on Intune SDK integration and managed browser behavior.

## SKILLS

**Mobile Device Management** – Microsoft Intune, Mobile Application Management, iOS, iPadOS, Android, BlackBerry UEM

**Identity & Access Management** – Microsoft Entra ID (Azure AD), Entra Application Proxy, Global Secure Access, Conditional Access, Single Sign-On

**Microsoft 365 Services** – Exchange Online, OneDrive, SharePoint Online

**Scripting & Automation** – PowerShell, Shell Scripting

**Operating Systems & Infrastructure** – Windows Server, Linux, AWS, Docker, Kubernetes

**Ticketing & Support Tools** – ServiceNow

## PROJECTS

### Enterprise Mobility Management Enhancement (HCL Technologies)

- Implemented a phased rollout strategy for **Microsoft Intune** mobile device management across a client's **3,000+ device** environment, standardizing enrollment and compliance policies.
- Automated the deployment of **corporate and third-party mobile applications** using Intune's application assignment profiles, reducing manual deployment time by approximately **30%**.
- Developed detailed operational runbooks and documentation for the mobile device management infrastructure, facilitating efficient incident response and knowledge transfer.

### Secure Application Access with Entra Proxy

- Designed and deployed a **Microsoft Entra Application Proxy** infrastructure to provide secure remote access to internal web applications, integrating with Entra ID for pre-authentication.
- Configured **connector architecture and traffic forwarding profiles** to ensure reliable and performant access for over **500 users** to critical business systems.
- Collaborated with business stakeholders to gather requirements for application publishing and tested single sign-on functionality across multiple enterprise applications.

## EDUCATION

**M.Sc. Data Analytics — National College of Ireland, Dublin** Feb 2026

**B.E. Computer Science — SNS College of Technology, Coimbatore, India** 2021

## CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
