PROFESSIONAL EXPERIENCE — 3.5+ YEARS

Trust & Safety Agent — Accenture, Dublin, Ireland Jul 2026 – Present

- Review and action user-generated content against a large-scale online platform's **community standards** and policies.
- Investigate escalated abuse cases including harassment, hate speech, scams, and **inauthentic behaviour**.
- Document enforcement decisions and flag emerging abuse trends to inform policy updates.
- Achieve high quality-audit, calibration, accuracy, and productivity targets for content review.

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Developed Java Spring Boot applications, building REST APIs for data validation and rule-based processing.
- Implemented SQL queries and schema changes for data investigation and audit trail maintenance.
- Contributed to feature work and bug fixes within existing enterprise services, ensuring accuracy.
- Managed production support for enterprise applications, responding to P1/P2 incidents under strict SLAs.
- Monitored application health using Splunk and CloudWatch, identifying and documenting anomalies.
- Responded to operational alerting for failed or stuck transactions within payments systems.
- Collaborated with operations teams on requirements gathering and post-implementation triage.

SKILLS

Content Analysis – search results, news stories, images, music, transit data, AI-generated content.

Trust & Safety – community standards, policy enforcement, content moderation, abuse investigations.
