PROFESSIONAL EXPERIENCE — 3.5+ YEARS

Trust & Safety Agent — Accenture, Dublin, Ireland Jul 2026 – Present

- Review user-generated content and account reports against a large-scale online platform's **community standards** and policies.
- Investigate escalated abuse cases, including harassment, hate speech, scams, and **inauthentic behaviour**.
- Document enforcement decisions and flag emerging abuse trends to inform policy.
- Meet **quality**, calibration, accuracy, and productivity targets for content review.

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Developed Java Spring Boot applications, building REST APIs for data integration and system interaction.
- Wrote SQL queries for data validation and ad-hoc analysis supporting operational reporting.
- Contributed to feature development and bug fixes for enterprise applications, ensuring code quality.
- Managed production support for enterprise applications, responding to P1/P2 incidents under strict SLAs.
- Monitored application health using Splunk and CloudWatch, identifying and resolving performance issues.
- Documented incident response procedures and conducted root cause analysis for recurring problems.
- Collaborated with operations and business analysts on requirements, UAT, and post-implementation triage.
