PROFESSIONAL EXPERIENCE — 3.5+ YEARS

Trust & Safety Agent — Accenture, Dublin, Ireland Jul 2026 – Present

- Action user-generated content and account reports against **community standards** and policies for a large-scale online platform.
- Investigate escalated abuse cases including harassment, hate speech, scams, and **inauthentic behaviour**.
- Document enforcement decisions and identify emerging abuse trends to inform policy updates.
- Meet **quality-audit**, calibration, accuracy, and productivity targets for content review.

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Developed Java Spring Boot applications, building REST APIs for data integration and system communication.
- Implemented rule-based validation logic within applications to flag non-compliant transactions.
- Supported data integrity checks and ad-hoc querying using SQL (PostgreSQL, MySQL) for investigations.
- Managed production support for enterprise applications, responding to P1/P2 incidents under strict SLAs.
- Monitored application health and performance using Splunk and CloudWatch, identifying anomalies.
- Handled escalations from operations teams, performing root cause analysis for system issues.
- Documented incident response procedures and collaborated with business analysts on issue resolution.

SKILLS

Compliance – Anti-Money Laundering (AML), GDPR, property industry legislation, PSRA regulations.

Risk Management – risk assessments, internal controls, identifying potential risks.

Policy & Procedures – reviewing and maintaining company policies, procedures and processes.
